FOR IMMEDIATE RELEASE

Doyon, Limited Announces Julie Mormon as new COO

Fairbanks, Alaska – Julie M. Mormon has been named the new senior vice president and chief operating officer for Doyon, Limited, the regional Native corporation for Interior Alaska. Mormon was previously the general manager for 3M’s United States Atlantic and Pacific Branches serving Alaska, Guam, Hawaii and Puerto Rico. Since 1995, Mormon worked in various engineering and management capacities for 3M.

“Joining Doyon, a well-respected corporation with an important mission and significant values, is an honor and I look forward to serving Doyon’s employees and shareholders,” Mormon said.

Mormon holds a bachelor’s degree from Montana State University in Chemical Engineering and a Master’s of Business Administration from the University of Minnesota. She is the founder of Smart Girls Rock!, serves on several boards including Society of Women Engineers, Dimond Engineering Academy, Montana State University College of Engineering Advisory board, and volunteers her time with Junior Achievement.

“We are fortunate to have Julie join Doyon,” said Doyon President and CEO Aaron Schutt. “She brings years of leadership, business and operational experience that will help us move closer to achieving our goals.”
